

```
LWFilter2< nparts,  
            dimx, dimy, dimparam,  
            float_t, false >
```

A diagram illustrating inheritance. A blue arrow points upwards from the bottom box to the top box, indicating that LWFilter2FutureSimulator inherits from LWFilter2.

```
LWFilter2FutureSimulator  
< nparts, dimx, dimy, dimparam,  
    float_t, debug >
```
